Office of the Rector
Chernivtsi National University

Chair of the 8-th International Conference
“Correlation Optics - 2007”

August 16, 2007

Dear Dr. Anton V. Sadovoy:

The authority of Chernivtsi National University, Ukraine, and the International Program Committee of the Eighth International Conference on Correlation Optics are pleased to invite you to take part in this conference, which will be held in September 11-14, 2007, and to make your contribution “Transillumination analysis of imbibition in porous media: scaling properties of near-pinned interfaces”.

You can find an Advanced Program for this conference, which includes a full listing of technical presentation on Web site at <http://www.itf.cv.ua/corrupt07>

Sincerely,

Stepan V. Melnychuk
Rector of Chernivtsi National University

Oleg V. Angelsky
Co-Chair of the 8-th International Conference
on Correlation Optics
